**SPONSORSHIP
OPPORTUNITIES**

This year, we celebrate Emerald City, the city of hope, at Dining in the Dark. Many Hoosiers facing vision loss have difficulty envisioning life after a devastating diagnosis of blindness. But Bosma brings hope, allowing light to shine and bring about new life. We are able to do this because of generous sponsors and donors.

Dining in the Dark is an annual gala fundraising event hosted by Bosma Visionary Opportunities Foundation.

Guests don sleep shades and experience dinner in the dark to bring awareness of the critical training programs of the Bosma Center for Visionary Solutions. Imagine losing your vision, how do you live life? That is the hope we bring to nearly 900 Hoosiers each year.

When you become a sponsor for Dining in the Dark, you become part of Bosma's mission. You are a source of hope for our clients.

Your sponsorship directly impacts our ability to provide life changing programs to Hoosiers that are blind or visually impaired.

Not only do you directly support our clients by purchasing a sponsorship, but you also support our future clients. During the Changing Lives Today, Creating Opportunities Tomorrow

campaign, part of your sponsorship is doubled and put into the Charles E. Bosma Legacy fund to ensure Bosma programs are always available to Hoosiers who are blind or visually impaired.

CHANGING LIVES TODAY
—
CREATING OPPORTUNITIES
TOMORROW

YOUR GIVING IS MORE CRITICAL THAN EVER. DOUBLE YOUR IMPACT NOW!

To continue to meet the needs of Bosma's clients and grow our transformative impact, the Bosma Visionary Opportunities Foundation has launched a comprehensive campaign to raise \$1 million to support our statewide vision rehabilitation programs.

TO **DOUBLE THE IMPACT** OF OUR CAMPAIGN, A MATCHING GIFT IS IN PLACE THROUGH THE END OF 2023

By contributing to Bosma's programs by the end of the year, your dollars will be matched up to \$1 million, for the "Changing Lives Today, Creating Opportunities Tomorrow" campaign.
